## Our History

At Gino's Italian Delites, pizza is more than just a meal - it's a tradition. Our journey began in 1955, when *SOMEONE* set out to bring authentic, handcrafted pizza to Toledo. With a secret family dough recipe, rich homemade sauces, and a passion for quality, our pizzeria quickly became a local favorite.

From a small neighborhood shop to a beloved gathering place, we have stayed true to our core values:

- *Fresh Ingredients*  
Only the finest cheese, meats, and vegetables
- *Authentic Recipes*  
Passed down through generations
- *Handmade with Love*  
Every pizza is crafted to perfection
